470uF @ 400 VDC High Capacity, high voltage Electrolytic filter capacitors. Use in linear RF amplifier power supplies, or as replacement filter capacitors for those old leaky capacitors in your linear amplifier.

Cat# 470U400V \$2.95 each

Hand Microphone *NEW*, complete. It has curly cord with open end wires. Spring-loaded, Swivel clip can rotate 360 degrees and snaps on available clip-on wires. This 1611-0 microphone can also be wired as a Speaker/MIC for most handheld radios. We include the connector wiring diagrams for most popular HAM transceivers. Wires are color coded to make wiring easy. All you need is the connector.

cat# 1611 \$9.50 each

Car-top Rack or Horizontal Mirror Mount Fits 1 inch Bar Includes #SM1 SO-239 Stud

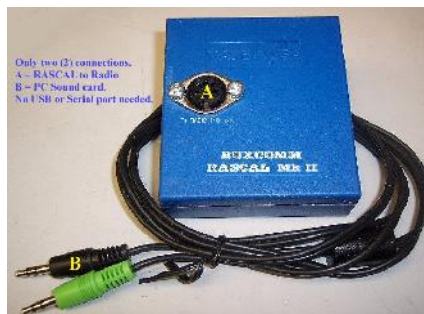

Cat# HMBB3SM1, Your price: 9.95 each

Desk Microphone The BUXCOMM 4000 BDM is a professional quality microphone specifically designed for Amateur and Public Service Two-Way Communications.

The foot-switch jack can also be used to key an external linear amplifier. Wiring diagrams for most popular radios is included.

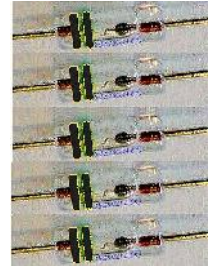

cat# 4000BDM Manufacturers Suggested Resale Price is \$119.95 your price is \$20.00

We have interface cables for most all:

Alinco, Icom, Kenwood, and Yaesu. Tell us your radio make and model and we will include the FREE cable with this Sound Card interface. The BUXCOMM RASCAL+II does NOT need USB or Serial Comport. Only two (2) connections: one to the radio, and one to the PC. It's that easy, all you need is the software, and we supply it on a CD with the cat# RASCAL+II, Regular 59.95,

Your price is \$44.95

The original, point-contact 1N34A

Germanium diode are the classic 1N34A, 5 for 95 cents. These are the glass 1N34A that have a highly sensitive, point-contact to the Germanium chip inside. Use to build various Crystal Radio circuits. Crystal Radio's do not need any power source, only a wire antenna 10 to 20 feet high, and 20 to 40 feet long. Cat# 1N34a

Your price: 5 for 95 cents

Integrated 9:1 BALUN with a 1400 watt PEP, 450 ohm (Non-Inductive) "Hybrid" BALUN and Broadband Terminating Resistor. 1400 watts SSB, 700 watts AM/FSK/PSK. Used in the construction of a T2FD antenna Rated for 1400 watts SSB. UV resistant case and support clasps.

Applications: Terminated Folded Dipole construction (T2FD). Hybrid, 9:1 BALUN with 1400 watt SSB, 450 ohm (Non-Inductive) Broadband Terminations. Cat# BTRB1400 Your price: 199.95

MISO USB Sound Card, ADD a second

sound I/O with this Plug-N-Play USB sound device. USB Sound Card, IN STOCK cat# MISO Your Price: \$9.95

BUXCOMM October 2014

USB to RS-232 Serial DB9 Adapter. **NEW LOW PRICE, our prices beat the discount store prices** USB to Serial comport converter. Add a serial port to your PC and use your PacketRadio TNC or a soundcard interface for all the digital modes. ADD A SERIAL comport to your PC or laptop without removing it from the case. This cable is perfect for plug-and-play and hot swap situations. The serial side includes standard connectors that prevent accidental disconnects. Model USB2SC Your Price; \$19.95

160 TO 2 METER (1.5 to 175 MHz) **LINE ISOLATOR** and EASILY HANDLES 3000 watts **average** power or 4000 watts SSB. The BUXCOMM B2KLISO_{tm} is an ultra-broadband transmission-line-transformer (TLT) BUXCOMM exclusive. **RG8X Coax Jumper Cable with PL259 on each end is included.** Cat# **B2KLISO** \$39.95

4 to 1 Current BALUN, with built-in Center Insulator. PoweRated @ 2000 watts SSB. Frequency Response 1.0 to 55 MHz. The Ideal BALUN for use with most wire type antennas, especially the Windom and OCF. Made In USA. Cat# B2K41 Your price; \$39.95

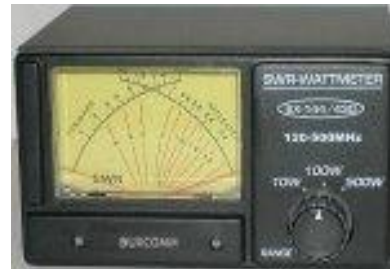

Here is the Mobile BALUN designed for serious HF mobile operator's. All items shown in the photo are included with the model **B1K5022**. Your Price; \$39.95

Large 2.4 inch, 61 ferrite mix. Type K., Recommended use in HighPower HF BALUNS. Cat# **FB240-61** Your price; \$6.95

50 ft RG8X coax cable has PL259s already installed on each end, for the price of the coax alone. Made from top-quality, lowloss coax cable with PL259 connectors installed at each end. Cat# **8XPLPL-50**, Your Price; \$29.95

VHF and UHF Cross-Needle SWR & POWER Meter. VHF/UHF 144 MHz and 430 MHz with 10, 100, & 500 watt scales. Cat# **SX144-430** Your Price; \$59.95

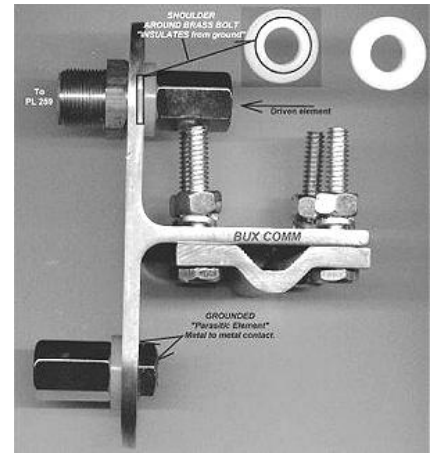

Frequency range: 1.6-60 MHz (HF & 6M). Three power ranges: 20, 200, & 2000 watts. Reg \$148.95 cat# **SWR-6** Your price; \$119.95

PL259 type, Gold plated for low-loss at HF and VHF **GOLD** center pin and TEFLON insulation for RG 8 coax. RG213, RG214, RG8U, 9913 etc. coaxial cable. The primary application for gold plated PL259, is for use at VHF and UHF frequencies. The gold center pin insures a positive connection for the transfer of RF energy to you antenna. Cat# **PL259-AU**

Your Price: 3.95 each

Use to make single band base-station dipole, or use as Dual 3-Way Mirror Mount. Includes SM1 antenna mounting studs. By combining a pair two of the single band HF Mobile tuneable tip antennas or 2 VHF antennas can provide some stealth effect to your apartment or RV antenna. A three-way bracket for dual antennas, to form a base or portable dipole using 2 of our BHF antennas. It's a double-antenna or dipole bracket. It is also used as a dual 3-Way Mirror Mount With (1) SM1 SO-239 Stud and (1) down Stud for Dipole. Rotate 4 hole bracket to change from vertical to horizontal position for horizontal polarization. Cat# **DBLBKRT** Your Price; \$21.95

Broad Band Folded Dipole Antenna provides optimum performance, low SWR operation over the entire HF band 3.5 – 30 MHz for transmitting, and receiving without an antenna tuner. Length is 45 ft, and poweRated at; 1400 wts SSB, wide band-width, low noise & High-Gain. The BUXCOMM 1080T2FD-1400 is Compact in size. PoweRated at: 1400 watts SSB, 500 wts AM/CW/PSK T2FD exhibits Low Noise and provides high signal gain. Wide band-width, and low noise performance. The ideal size for small lots, apartments, and gated communities, length is 45 feet. Cat# **1080T2FD-1400** Your Price 249.95

Heavy Duty Power cord for; Alinco, Icom, Kenwood, Yaesu, and HF transceivers with compatible 6 pin power connector. cat# **10KY6PWR** Your Price 19.95
